

Entomology

Project Information Page

Welcome to the world of bugs! Entomology, also known as the study of Insects, is a branch of science that has proving to be instrumental in understanding the natural world happening around us. This project aims to teach members how to properly catch, study and identify some of the smallest animals in our ecosystems so that they too can gain respect and understanding of these little critters!

Project Completion Requirements (PCR)

- Complete at least five (5) topics or activities related to this project
- Create at least two tangible items that will be on display at Achievement Day
- Project (1) Page specific to Home Ec or Life Skill Projects
- Please Note:** *Although the group may do activities together, project members are expected to document & display their own project/activity items at Achievement Day.*

4-H Year Completion

The following must be on display at the Club Achievement Day in order to complete the 4-H year

- Complete the **PCR's (Project Completion Requirements)** as outlined above
- Complete a **Communication** (public speaking) Project
- Complete a **Community Service** Activity
- Complete an **Agriculture Awareness** Activity
- Complete the **Member Documentation** (4) pages found in your Portfolio or on the website

Exhibition Requirements

Members may choose **ONE** of the completed tangible project items.
Group members **do not** have to send the same items.

**Members are strongly encouraged to participate in the 4-H Classes at PEI Fairs & Exhibitions.
Please check with your Project Leader or visit www.pei4h for more Exhibition information.**

General Notes

- Leader Resources are available on the website or by contacting your 4-H Specialist
- Each month on the 15th (or thereby) a Provincial Newsletter is released with up to date information
- The Provincial Website www.pei4h.ca is regularly updated and the home of the Provincial Newsletter
- The second last Saturday in July each year is the deadline for Members to submit project work and portfolios to their 4-H Specialist for completion and to remain as a member in good standing. Only members in good standing can participate in summer exhibitions and be nominated /apply for special awards.
