

# Exploring 4-H

## Project Information Page

This project is designed for **youth ages 9 and 10 years of age**, or for 4-H members who do not have previous experience with the 4-H program. The Exploring 4-H Project allows new 4-H members to become familiar with a variety of projects and learn what is involved in being a 4-H member. At the end of this project members should have an understanding of the 4-H program in general and of the projects that they will have the option to enroll in for the next 4-H year.

### Project Completion Requirements (PCR)

- Members should explore at least five (5) different projects
- Create at least two (2) tangible items that will be on display at Achievement Day
- Member Profile Book (*with completed pages reflective of project*)
- Project (1) Page specific to Home Economic and Life Skill Projects

**NOTE:** *Although the group may do activities together, project members are expected to document & display their own project/activity items at Achievement Day.*

### 4-H Year Completion
