

# Blacksmith

## Project Information Page

Working with fire and metal is a timeless tradition that goes back to the early days when man first started making tools from iron during the iron age. In the **Blacksmith Project**, members will learn the basic terminology, about the tools, how to build a forge, and will also explore the opportunity to create some unique pieces.

There are four divisions, based on skill level, in this project; project leader has discretion to assign division to each member.

**NOTE: Members must be of Intermediate (12-14) or Senior (15-21) age.**

### Project Completion Requirements (PCR)

- Complete at least five (5) topics or activities related to this project
- Create at least two tangible items that will be on display at Achievement Day
- Project (1) Page specific to Home Ec or Life Skill Projects
- Please Note:** *Although the group may do activities together, project members are expected to document & display their own project/activity items at Achievement Day.*
