

Construction West Intermediate

Project Information Page

Welcome to Construction! In this project, members will learn about construction using the principles of the 3 R's – Reduce, Reuse and Recycle! We will take a larger scale item and downsize it from its original version in order to save on materials while reusing some additional materials from other projects and recycling with some plastics and putting them to good use! Join us as we build a sustainable future through our 4-H Construction Project!

Project Requirements

- Attend both Construction Project days (Feb 15 & Feb 22).
- Complete all steps to finish your Construction Projects on project day.
- Complete 4-H Project Page (*attached*)

4-H Year Completion Requirements

The following must be on display at the Club Achievement Day in order to complete the 4-H year

- Project Requirements as outlined above
- Member Documentation 2 pages found in member portfolio including:
 - Communications Activity (*speech, demonstration or other*)
 - Community Service Activity
 - Agriculture Awareness Activity

Exhibition Item(s)
