

Cake Decorating I

Project Information Page

This project is designed to be fun and encourage creativity as you learn the art of cake decorating. Many occasions such as birthdays, anniversaries, weddings and other holiday occasions are examples of where the art of cake decorating can be put to use.

Cake Decorating can serve as a creative outlet for all ages...the mastery of this skill is one that members and leaders alike will carry with them for years to come. The art of Cake Decorating does require practice and persistence...but the outcome is worth the investment!
